

# Facebook Release FORM

Happy Days has created a private group page on Facebook. The purpose of this group is to stay connected with families and provide a fun new way to share new things going on within our school and classrooms.

Please fill out the bottom portion granting Happy Days Learning Center permission to post photos of your child along with their work. This is a private group that will NOT be available to the public for viewing, just for parents and families of Happy Days.

Please log onto Facebook and search:

"Happy Days Learning Center Families" and request to join the group.
