

COVID-19 and Distance Learning Waiver

We have taken enhanced health and safety measures to protect staff and children from exposure to COVID-19. An inherent risk of exposure still exists in an environment where various unrelated people are present. COVID-19 is an extremely contagious disease. By having your child attend Happy Days Learning Center you assume all risks related to exposure to COVID-19.

The Centers for Disease Control and Prevention recommends that children 2 years and older should wear "cloth face coverings" when they are "in the community setting" to help stop the spread of the coronavirus. We are allowing parents to opt out of this recommendation while their children are at Happy Days. If you choose this option, you assume all risks related to exposure to COVID-19.

- Please enforce the use of a face covering for my child at all times except when eating
- I allow my child to be at Happy Days without strict enforcement of using a face covering

Happy Days will support Distance Learning while kids are in our care during a "school day" schedule and offer enrichment afterwards. You acknowledge that Happy Days teachers are not credentialed elementary school teachers and cannot be held responsible for your child's learning. Happy Days role in distance learning is to support and facilitate children connecting with their elementary school teacher as designated by the school district.

Child's Name: _____

Parent's Name: _____
